# Deluxe™ Keyboard

## Industry-standard keyboard

### A Standard, Easily Integrated Solution

The Deluxe Keyboard is ideal for high-use, high-activity conditions; it is available in a multi-pack of individually boxed units that are ready to plug into your solution.

### Durable, Full-Featured Keyboard Simplifies Common Tasks

The Deluxe Keyboard delivers a familiar keyboard layout in a graceful curved form that is also durable. The shock-resistant design includes extra-secure key caps that stay on even in classrooms and a spill-proof design extends the keyboard life. A six-foot cable makes it a practical solution for a variety of environments.

### Comfort and Ease

The Deluxe Keyboard offers a high typing comfort with an ultra-flat, Zero-Degree Tilt™ profile, full-size soft touch keys and detachable palm rest. The Deluxe Keyboard is simply the best keyboard in its class, combining cost-effective comfort with industrial-grade construction.

### A Dedicated Product Line

Logitech System Builder products provide an extensive selection of cost-effective mice, keyboards, video, and audio products. They offer the value and visibility of a leading brand, allow your customers to be more efficient, and integrate easily into your solutions.

### World-Class Quality

More than 20 years as the leading manufacturer of OEM mice gives Logitech unique expertise in creating high-volume, premium-quality products.

All Select products are made at ISO9002-approved manufacturing sites and include a 3-year warranty.

### User-Friendly Innovation
